

food with a conscience

Waste2taste is a Social Enterprise

Our mission is to provide healthy, nutritious and affordable food with an ethical and sustainable approach. To address food waste, food poverty and homelessness. Our catering service uses food surplus as its main source of ingredients and we strive to have a never waste anything approach.

Waste2taste are proud to work in partnership with the Oxford foodbank who are kindly funding us to run workshops for Homeless and Vulnerably housed people.

Alongside this, look out for us at food markets, street fayres and Pop-up Bistro evenings.

We support The Oxford Gatehouse.
