

The Gatehouse Code of Conduct Community Centre & Garden:

Please follow this guidance at all times

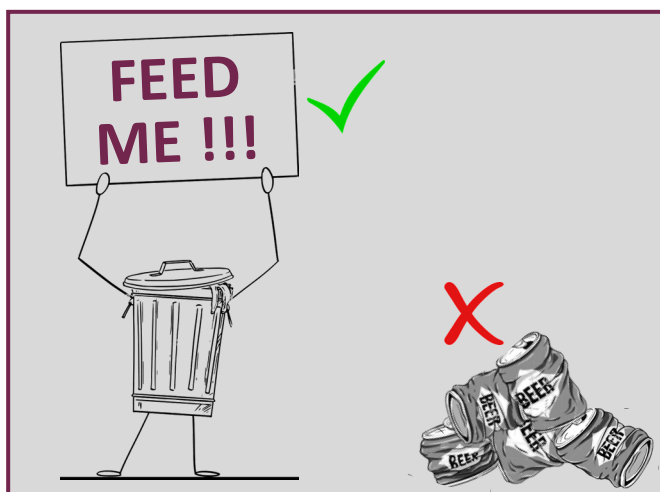

Making the centre a safe and welcoming space - how to behave:

- Give people time and space to make and collect their food order.
- No verbal or physical violence or abuse, or harassing behaviour.
- Be mindful of noise and our neighbours.
- Don't use language or behavior that discriminates against others.
- Behave with respect and dignity towards one another.

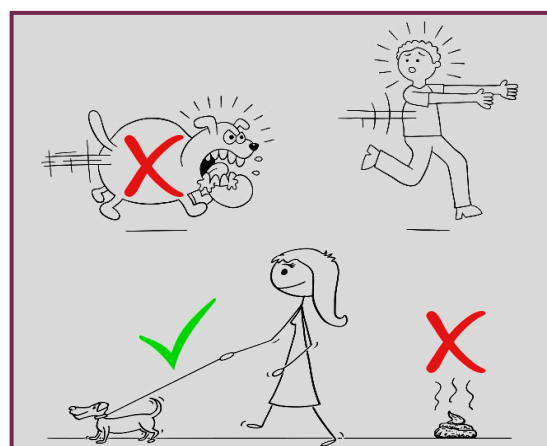

A few general rules:

- Put any rubbish in a bin.
- No alcohol or drug use - if you bring alcohol into the community centre, you will be asked to hand it to a member of staff who will keep it safe in the office until you leave.
- No buying and selling on site.

And some special requests for dog owners:

- Always clean up after your dog.
- Don't ignore your barking dog, this could result in anti-social complaints against the Gatehouse.
- Keep dogs on a lead. Not all dogs like other dogs and not all people feel comfortable around dogs.

**This code of conduct is for all guests, staff and volunteers to follow.
If you have any concerns, please talk to a member of staff
so that we can try to resolve them.**
